# GENERIC APPS FOR PRIMARY LANGUAGE LEARNING LIST

APP	PRICE	CATEGORY	DESCRIPTION
PuppetPalsHD Directors Pass	£1.99	digital storytelling	app is free but well worth buying the Directors pass to access all the different scenes/characters. Also enables you to upload your own characters/scenes.
Avatar creator	69p	avatars/image creator	make avatars to represent learners/describe the people/ make a person to match a description
Songify	free	songs/vocabulary	input vocabulary and Songify turns it into a song. Not a masterpiece, but can be quite catchy!
Explain everything	£1.99	screencast	As the name suggests, you use this app to Explain everything. It records the screen and your voice as you annotate, explain and create screencasts/tutorials. Also good for learners to show understanding.
SockPuppets	free/in app enhancements 69p-£1.49	digital storytelling	make puppet shows and even change your voice. Very motivational and great fun!
BookCreator app	free to try/ £2.99	making eBooks	brilliant app that I use all the time - can add text, images, videos, hyperlinks, merge books
Tellagami	free	talking avatars	30 second talking avatars - can type but can't speak very good French/Spanish/German
Popplet	free/£2.99	making mind maps	very helpful app for initial thoughts, vocabulary etc
PicCollage	free	making mood boards/ posters	very easy to use, multitude of uses
